A SPECIAL USE PERMIT CONDITIONS OF APPROVAL:

The Borough Assembly may issue the permit if the request, as approved by the Planning Commission, is found to be of beneficial nature to the community and that adjacent and surrounding property will not be adversely impacted.

There are instances when the private sector needs to use borough property for uses other than what the property was initially intended for. An example would be to use a platted, but undeveloped, right-of-way for private access to private property.

Explain how your application meets these conditions: _____

Note: The Borough Assembly shall render its decision within thirty days after the conclusion of the public hearing, and upon receipt of Planning Commission recommendations.

In granting a special use permit, the commission shall state under what conditions, if any, the permit has been issued. Any such condition must be complied with. Violation of any condition shall result in revocation of the permit and further use of the property shall constitute a violation of this title, and shall be punishable accordingly.

A Schematic site plat must be attached showing the type and location of all proposed uses on the site, and all vehicular and pedestrian circulation patterns relevant to those uses.

Approval of a special use permit may require verification of insurance coverage. Contact the Borough Clerk at 772-4425 for further information on these additional requirements.

I hereby affirm that the above information is true and correct to the best of my knowledge. I also affirm that I am the true and legal property owner or authorized agent thereof for the property subject herein.
