

PUBLIC SERVICE ANNOUNCEMENT

Sanitation Department Recycling Reminders

- The department asks that all carts be placed at curbside and available for pickup by 8am on your collection day. The drivers do note when a cart is not out or is inaccessible, and the time the truck is at that location. Carts that aren't set out to the curb or are inaccessible to the truck will not be collected on our route. In these instances, you may deliver your cart to the baler and dump the contents at no charge, or call public works (772-4430) to get a return call pickup for a fee.
- If you set out your cart by 8am and its contents are not collected, please call public works (772-4430) to request a free return pickup.
- Glass is NOT to be placed into the recycle carts. Glass drop off bins are located at Public Works at 303 S Second Street and at the Baler facility.

If you have any questions, please contact Public Works at 772-4430. Thank You!
